Dear Parents,

Literacy Pro is a reading program we implement in Years 2-6 at Darkan Primary School. Literacy Pro assesses students' reading ability and comprehension. The children log in and complete a Literacy Pro test. This test consists of different reading passages and multiple choice questions. Once children start the test, the difficulty level of questions change according to children's performance.

Please follow the steps below on how to access Literacy Pro and how to complete the quiz.

- 1. Log in to Scholastic Literacy Pro using the link on Seesaw.

Welcome to Scholastic Learning Zone

- If your child needs to complete their Literacy Pro Test (they only complete this at the start of the year and at the end of the year) then they will click on LitPro Test.

The screenshot shows the Literacy Pro dashboard for a user at Darkan Primary School. The dashboard includes a navigation bar with 'Home', 'Search', 'My Results', and 'LitPro Test'. Below the navigation bar, there are five boxes displaying user statistics: My Lexile (565L), Certificate Level (-), Quizzes Passed (0), Words Read (0), and Average Quiz Score (0%). Underneath, there is a section for 'My reading interests' with three categories: Animals & Pets, Folktales & Legends, and Music & Art, along with an 'Edit Reading Interests' button.

- If your child has completed the test and have their Lexile Number, and read their book then it is time for them to complete their quiz!
- If you click on search this will take you to this screen.

The screenshot shows the search results page for the book 'Outside Permission' by Eleanor Nilsson. The search bar contains 'Search for a Book or Author' and the results show 2974 items. The book 'Outside Permission' is highlighted with a Lexile score of 590L and a word count of 61509. The book description reads: 'David and Simon have always hung out together, but Simon dares David to infiltrate the mysterious House of Records and everything changes. Can the files held there really predict their future? And how far will they go to find out?'. The book is categorized under 'Science Fiction & Fantasy'.

- Search for the book title. There are some optional book quizzes that students can complete if they do not have a Lexile book at home.
